4 **RESOLUTION R06-26**

5
6 A resolution requesting that the City Administration place a nine-month
7 moratorium on the issuance of new occupational licenses to providers of ambulance
8 services within the City of Slidell so that all aspects of minimum licensure requirements
9 may be studied.

10 WHEREAS, a nine-month moratorium would give the City sufficient time to
11 study all issues involved in the hope of determining what course of action is in the best
12 interest of its citizens.
13

14 NOW THEREFORE BE IT RESOLVED by the Slidell City Council that it does
15 hereby request that the City Administration place a nine-month moratorium on the
16 issuance of new occupational licenses to providers of ambulance services in the City of
17 Slidell.
18

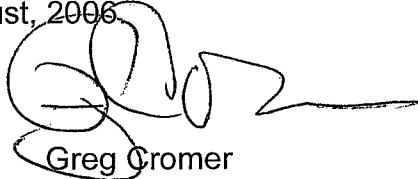

19 BE IT FURTHER RESOLVED that this moratorium shall apply to all license
20 applications currently pending or under review by the City of Slidell as of the date of this
21 resolution.
22

23 BE IT FINALLY RESOLVED that the Slidell City Council reserves the right to
24 extend or prematurely end this moratorium upon the adoption of minimum services and
25 technology standards regarding licensing providers of ambulances in the City limits of
26 Slidell.
