RE: Camellia City Farmer's Market

On January 8, 2008, the Leadership Team wanting to establish a Camellia City Farmer's Market presented their proposal to Council Members Cusimano, Kingston, Canada and Hicks. They requested the City provide support to the market consisting of \$5,000 start up funds, insurance coverage for the market and vendors, use of Griffith Park every Saturday for setup, market hours 9 a.m. - 1 p.m., and tear down, storage space for tables, chairs, etc., and administrative assistance (office space, phone, desk, copy needs, etc.).

On January 29, 2008, the above Council Members met with Tara Ingram-Hunter to discuss City support of the market. The four Council Members agreed they would support providing for start up, use of Griffith Park by the Camellia City Farmer's Market as a City sponsored event. The other five Council Members concurred in this on January 31, 2008, by poll done by me. Additionally, they would support providing \$5,000 for startup. Any subsequent City financial support would be evaluated after a year of successful operation. The administrative assistance, setup and cleanup would have to be provided by the non-profit and vendors. Further, seafood could not be sold by vendors in the Farmer's Market.

By copy hereof, the Council Administrator and City Attorney are directed to prepare the necessary legal documents and resolution for the Council to authorize the activity as stated above at the February 12, 2008, Council Meeting.
