3 **RESOLUTION R09-18**  
4

5 A resolution supporting the LaCPR (Louisiana Coastal Protection and  
6 Restoration) Plan and Specific Plan Alternative.

7 WHEREAS, the United States Army Corps of Engineers, (USACE) has  
8 completed the Louisiana Coastal Protection and Restoration Plan (LaCPR) and have  
9 submitted the report to the National Academy of Sciences for review; and  
10  
11

12 WHEREAS, the LaCPR Plan contains several alternatives that will provide  
13 surge protection to the residents of the City of Slidell; and  
14

15 WHEREAS, the City of Slidell is in the process of pursuing several surge and  
16 flood protection projects, which are only interim solutions; and  
17

18 WHEREAS, the City of Slidell has reviewed the LaCPR Plan and determined  
19 that the maximum Hurricane Protection benefits for the City of Slidell will result from  
20 implementation of the Plan Alternative that controls the Lake Pontchartrain water level  
21 during storm surge events by constructing a BARRIER-WEIR complex in the vicinity of the  
22 Rigolets and Chef Passes.  
23  
24

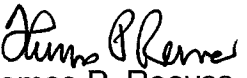

25 NOW THEREFORE BE IT RESOLVED by the Slidell City Council that it does  
26 hereby fully support the LaCPR Pontchartrain Surge Protection Plan (PU1-LP-A-100-1)  
27 and urges that the aforementioned Plan Alternative be the first order of construction when  
28 submitted to Congress for approval and funding.
