# LOUISIANA COMPLIANCE QUESTIONNAIRE (For Audit Engagements)

Dear Chief Executive Officer:

Attached is the Louisiana Compliance Questionnaire that is to be completed by you or your staff. This questionnaire is a required part of a financial audit of Louisiana state and local government and quasi-public agencies. Upon completion, the questionnaire must be presented to and adopted by the governing body, if any, of your organization by means of a formal resolution in an open meeting. Independently elected officials should sign the document, in lieu of such a resolution.

The completed questionnaire and a copy of the adoption instrument, if appropriate, must be given to the auditor at the beginning of the audit. The auditor will, during the course of his regular audit, test the accuracy of the responses in the questionnaire. It is not necessary to return the questionnaire to my office.

Certain portions of the questionnaire may not be applicable to your organization, especially those related to federal financial assistance, the requirements of the *Single Audit Act*, and OMB Circular A-133. In such cases, it is appropriate to mark the representation "not applicable." However, you must respond to each applicable representation. A 'yes' answer indicates that you have complied with the applicable law or regulation. A 'no' answer to any representation indicates a possible violation of law or regulation and, as such, should be fully explained. These matters will be reviewed by the auditor during the course of his examination. Please feel free to attach a further explanation of any representation.

Your cooperation in this matter will be greatly appreciated.

Sincerely,

Steve J. Theriot, CPA Legislative Auditor
