4 **RESOLUTION R22-21**

5  
6 A resolution clarifying Resolution R22-19 concerning Council support for in-  
7 person services of the Louisiana Office of Motor Vehicles within the City of Slidell.

8 WHEREAS, on September 27, 2022, the Council adopted Resolution R22-  
9  
10 19, through which it supported the development of a system whereby a full complement of  
11 in-person services of the Louisiana Office of Motor Vehicles (“OMV”) would be provided  
12 within the City of Slidell during normal business hours, to include walk-ins; and  
13

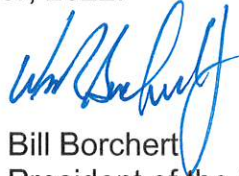

14  
15 WHEREAS, the Council desires to clarify the scope of its support as set forth  
16 in Resolution R22-19.

17  
18 NOW THEREFORE, BE IT RESOLVED by the Slidell City Council, in legal  
19 session convened, that while the Council continues to support the development a system  
20 whereby a full complement of in-person services of the OMV can be provided within the  
21 City of Slidell during normal business hours, to include walk-ins, as set forth in Resolution  
22 R22-19, that Resolution should not be construed to encourage or support the closing of the  
23 direct operations of the OMV within the City of Slidell or to dissuade any potential or  
24 planned increase in its staffing, in favor of alternative, but costlier, avenues of service.  
25 Rather, the Council supports and encourages, in the first instance, the full direct staffing  
26 and operational services of the OMV at its Slidell office, an office that has served the  
27 Slidell community for decades. Only in the event the OMV is unable or unwilling to make  
28 such provisions should alternative arrangements be made to provide the full complement  
29 of OMV services in partnership with a qualified public tag agency.
