

ORDINANCE NO. 1064

AN ORDINANCE to amend the subdivision regulations of Slidell, Louisiana by adding thereto Section 4.604 to provide a fee for connection to the City Sewerage System; Section 4.605 to provide for the installation of a sewerage system within a subdivision; Section 4.704 to provide a fee for connection to the City Water System; Section 4.705 to provide for installation of a water supply system within a subdivision; ~~by amending Section 5.504 and by adding thereto Sections 5.504-1, 5.504-2, 5.504-3 and 5.506-6 relative to the approval of subdivision plat by the Slidell City Council;~~ providing for the severability of the provisions of this ordinance; and repealing all ordinances in conflict herewith.

BE IT ENACTED BY THE MAYOR AND CITY COUNCIL of the City of Slidell, Louisiana in legal session convened, that:

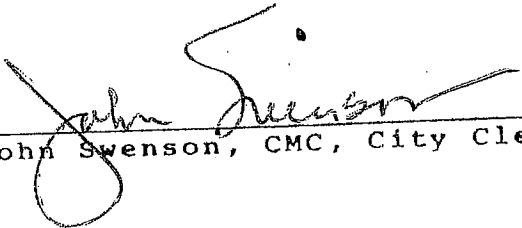

SECTION 1. The subdivision regulations for Slidell, Louisiana be and the same are hereby amended by adding the following sections:

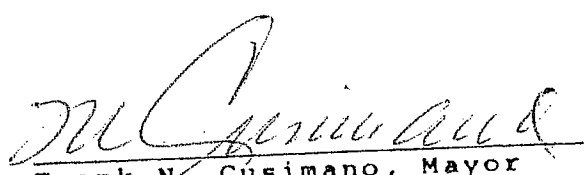

- | | |
|-------|---|
| 4.604 | A subdivision developer who connects a subdivision sewerage system to the City sewerage system shall pay to the City a fee to be determined by the City at the time of connection to the sewerage system, which fee will offset the cost to the City of expanding city facilities to adequately handle the increased demand on the City system. |
| 4.605 | A subdivision developer may elect to install within the subdivision a sewerage system which shall comply with the regulations of the State Board of Health. The system shall be constructed under the approval and supervision of the St. Tammany Parish Health Unit and the City Engineer of Slidell and shall comply with the requirements of Section 4.602 and 4.603 hereinabove. |
| 4.704 | A subdivision developer who connects a subdivision water supply system to the City water system shall pay to the City a fee to be determined by the City at the time of connection to the City system, which fee shall offset the cost of the City of expanding city facilities to adequately handle the increased demand on the City system. |
| 4.705 | A subdivision developer may elect to install within the subdivision a water supply system approved by the City Engineer, Louisiana State Board of Health and Louisiana Rating and Fire Prevention Bureau. The system shall be constructed under the approval and supervision of the St. Tammany Parish Health Unit and the City Engineer of Slidell and shall comply with the requirements of Sections 4.701 and 4.702 hereinabove. |

SECTION 2. All ordinances or parts of ordinances in conflict herewith are hereby repealed.

SECTION 3. If any provisions or item of this ordinance of the application thereof is held invalid, such invalidity shall not affect other provisions, items or applications of this ordinance which can be given effect without the invalid provisions, items or applications, and to this end the provisions of this ordinance are hereby declared severable.

INTRODUCED AND ADOPTED THIS 23rd DAY OF MAY, 1978.

John Swenson, CMC, City Clerk

Frank N. Cusimano, Mayor
