Mr. Joe Martinez has requested that I review our Operating Budget and Capital Budget to see if funds are available to provide monies that may be called for by Ordinance #1203. I am recommending that \$5,000 be taken from the special appropriation contingency amount which was originally \$48,000 and this will leave \$43,000. After discussing this with Mr. Martinez, I am recommending that \$1,500 that was set aside for the tote board and \$3,500 that was set aside for legislative office equipment be allocated for this purpose.

This will provide a total of \$10,000, which if not the total amount that will be requested, it will at least be a substantial start.

Sincerely,

M. W. "Webb" Hart
Mayor
