

ORDINANCE NO. 780

An Ordinance adopting a Gas Code for the City of Slidell, Louisiana, to regulate, for the safety of the public, the construction, assemblage, installation and repair of gas piping, gas water heaters and other gas appliances, establishing a board of Gas Mechanical Examiners, providing for the licensing of Gasfitters, the payment of Permit and Inspection Fees, and generally prescribing rules and regulations to govern facilities conveying or consuming fuel gas in the City of Slidell, Louisiana.

BE IT ORDAINED BY THE MAYOR AND BOARD OF ALDERMEN OF THE CITY OF SLIDELL, LOUISIANA, IN LEGAL SESSION CONVENED:

Section 1. The Code of Ordinances of the City of Slidell, Louisiana, is hereby amended by adding thereto Sec. 7-10, to read as follows:

Sec. 7-10. Gas Code Adopted.

There is hereby adopted a Gas Code for the City of Slidell, Louisiana, as set forth in Appendix B of this Code of Ordinances. In the event of any conflict between the Gas Code and the Plumbing Code adopted in Sec. 7-5, with reference to the construction, assemblage, installation and repair of facilities using or conveying fuel gas, the Gas Code shall prevail.

Section 2. The Code of Ordinances of the City of Slidell, Louisiana, is hereby amended by adding thereto Appendix B, to read as per attached "Gas Rules and Regulations".

Section 3. This Ordinance shall become effective July 1st, 1967.

INTRODUCED AND ADOPTED THIS 31st DAY OF MAY, 1967.
