SPECIAL MEETING - CITY COUNCIL
October 8th, 1981
7:00 P.M.

The meeting was called to order by President of the Council, Joe Martinez. All Council Members were present with the exception of Councilwoman Wood.

As advertised, a public hearing was opened in connection with Item No. 81-9-364, a proposed ordinance correcting the legal descriptions of the new council district boundaries. As no one indicated a desire to be heard, the public hearing was closed. Councilman Washington, seconded by Councilman Caruso, moved the adoption of Ordinance No. 1439.

Regarding Item No. 81-9-365, a proposed Zoning Ordinance Amendment, which was up for public hearing, Councilwoman Gallinghouse Hoppe read the following sentence from Section 1-14067 of Louisiana Municipal Laws: "The legislative body shall not hold its public hearings or take action until it has received the final report of the Zoning Commission." Councilwoman Gallinghouse Hoppe then stated she would withdraw her proposed ordinance as it had not yet been before the Zoning Commission. The President so ordered the withdrawal of the proposed ordinance and stated that an informal discussion on the proposed ordinance and related subject matters would follow the adjournment of the council meeting. President Martinez requested Mr. Reinhard Dearing, Mr. Barry Brupbacher and Mr. Lloyd Walters to stay for the informal discussion to answer any questions that might arise. President Martinez requested that a copy of the state law cited by Councilwoman Gallinghouse Hoppe be made a part of the Minutes.

As there was no further discussion, the meeting was adjourned at 7:15 P.M.
