RESOLUTION R25-11

A resolution approving the salary for the Slidell Airport Director.

WHEREAS, pursuant to Ordinance No. 4218, the Slidell City Council created the position of Airport Director, Grade 85; and

WHEREAS, the administration wishes to grant an upward salary adjustment for the anticipated occupant of this newly created position above the amount budgeted by line item for the previously occupied Airport Manager position, Grade 81 (now vacant); and

WHEREAS, this adjustment is necessary to provide a competitive salary for an experienced Director to oversee day-to-day operations at the Airport and actively guide its anticipated expansion and development; and

WHEREAS, there are currently sufficient funds in the Airport budget to provide for this upward adjustment through the end of this fiscal year, and sufficient funds will be budgeted for the position for next fiscal year consistent with the City's pay plan for unclassified employees.

NOW THEREFORE, BE IT RESOLVED by the Slidell City Council that it does approve the setting of the starting annual salary for the new Airport Director at $82,000 (Grade 85).

This resolution shall be effective upon adoption.
