LEGISLATIVE COMMENTS AND REPORTS

Councilman Tamborella congratulated everyone who worked on the SBBA project, namely Council Members Borchert, King, Denham, and Dunham, City Attorney Thomas Schneidau, Assistant City Attorney Lydia Alford, Former Mayor Cromer and Mayor Fandal. He stated that this land purchase is a win for our community and our children. He also stated that if anyone wants information on anything pertaining to this he would be more than happy to sit down and go over the details.

Councilman DiSanti thanked Councilman Tamborella for his hard work on the SBBA project.

ADMINISTRATIVE COMMENTS AND REPORTS

Mayor Fandal mentioned that the recent Mayor's Community Prayer Breakfast was a huge success. The speaker was enjoyed by all and people told him that they felt the presence of God.

This weekend's parades are as follows: Friday night the Krewe of Titans will roll; Saturday night the Krewe of Poseidon will roll followed by the Krewe of Antheia on Sunday. The following weekend the Krewe of Mona Lisa & Moonpie will march in Olde Towne and Sunday the Krewe of Dionysus will roll.

POLICE CHIEF COMMENTS AND REPORTS

Acting Chief Daniel Seuzeneau stated that due to the very cold temperatures, the Krewe of Titans will probably start at 6:00 instead of 6:30 p.m. and he is hoping that on Saturday the Krewe of Poseidon will start an hour early, but they are still working out the details.

As there was no further business, the meeting was adjourned at 6:54 p.m.

***Governmental Funds***

As of December 31, 2025, the budget should be at 50.00% of its total allocation.

**Revenues:**

Revenues in the General Fund are trending slightly below budget at this time. This is expected, as the City does not record ad valorem tax revenues until collected, which are due December 31st, or occupational license revenues, which are due January 1st. On a positive note, interest revenues are trending higher than anticipated, with over 100% of the budget already collected in the six five months of the fiscal year.

Sales Tax Fund and Public Safety Fund are trending slightly above budget due to sales tax coming in higher than budgeted. For the first five months of the fiscal year, sales tax revenue for the Sales Tax Fund is \$11,727,238 which is up 5.89% when compared to the same time last fiscal year at \$11,074,560. The Public Safety sale tax generated \$2,588,769 in the first five months. Since the tax began on January 1, 2025, no prior-year comparison is available. It should be noted that the July breakdown between City sales tax and Police sales tax was estimated and will be updated once final allocation figures are received. Historically, sales tax revenues have consistently outperformed budget projections.

Revenues for the Slidell Business Campus are currently tracking 0.72% above budgeted levels.

The City will continuously monitor the budget in an effort to maximize revenues while also finding ways to become more efficient.

**Expenditures:**

The City is operating well within authorized budget parameters. As of December, expenditures across all major funds remain below the 50.00% threshold, with spending trends consistent with prior years. As of December actual expenditures as a percentage of the budget are as follows:

General Fund: 45.14%  
Sales Tax Fund: 44.32%  
Public Safety Fund: 46.11%  
Slidell Business Campus: 35.66%

Overall, the City's spending is well controlled and aligned with budget expectations. The City will continue to closely monitor expenditures to ensure resources are used effectively, maximizing public benefit while identifying opportunities to enhance efficiency.
