to the Mayor

Item No. 85-8-883

PROCESSED

9-30-85 8:15 a.m. ORDINANCE NO. 1870

An ordinance amending Chapter 7, Article 4, Flood Hazard Prevention, Section 7-31. Permit Procedures and Section 7-34. Specific standards for different types of construction. of the Code of Ordinances of the City of Slidell.

BE IT ORDAINED by the Slidell City Council, in legal session convened, that Chapter 7, Article 4, Flood Hazard Prevention, Section 7-31. Permit Procedures and Section 7-34. Specific standards for different types of construction. of the Code of Ordinances of the City of Slidell is amended as follows:

Section 7-31. Permit Procedures:

Delete subsections (b) and (c) in their entirety and replace with a new subsection (b) as follows: (b) A certificate from a registered professional engineer or architect that the non-residential structure shall meet the criteria of section 7-34 (b).

Redesignate subsection "(d)" as subsection (c).

Section 7-34. Specific standards for different types of construction.

Subsection (a): After the words "substantial improvement" insert the words , as defined,.

Delete subsection (b) as written and replace with a new subsection (b) as follows:

(b) Non-residential construction.

New construction or substantial improvement, as defined, of any commercial, industrial or other non-residential structure shall have the lowest floor, including basement, elevated to the level of the base flood elevation. A registered professional engineer or architect shall submit a certification to the administrator that the standards of this subsection, as defined in section 7-31 (b), are satisfied.

ADOPTED this 24th day of September, 1985.
