14 **ORDINANCE NO. 2261**
15

16
17 An ordinance amending Chapter 2 Administration of the
18 Code of Ordinances of the City of Slidell to require a public
19 hearing prior to major public works projects.
20

21 WHEREAS, the City of Slidell from time to time constructs
22
23 major public works projects; and
24

25 WHEREAS, those public works projects sometimes may cause
26
27 an inconvenience to the general public.
28

29 NOW THEREFORE BE IT ORDAINED by the Slidell City Council
30
31 that Chapter 2 Administration of the Code of Ordinances of the
32
33 City of Slidell is hereby amended as follows:
34

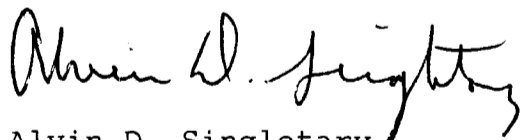

35
36 Add a new Sec. 2-10.2. Major Capital Projects Procedures.
37

38 The following procedure shall be followed for any public
39
40 works project funded from capital project funds which
41
42 will greatly inconvenience the general public as
43
44 determined by joint agreement of the City Engineer and
45
46 the Councilperson(s) in whose district(s) the project is
47
48 to be constructed:
49

- 50 1. Prior to commencement of engineering work for the
51
52 project, the City Engineer and District
53
54 Councilperson(s) shall meet and determine if a
55
56 public hearing is necessary.
57
58 2. If a determination to hold a public hearing is made,
59
60 the Council shall adopt a resolution giving notice
61
62 of its intention to make the proposed improvements.
63
64 The resolution shall contain a general description
65
66 of the improvements contemplated and the manner of
67
68 paying for them and shall state whether the
69
70 improvements will be constructed under private
71
72 contract or undertaken by the municipality.

3. The notice shall contain substantially all things set forth in the resolution. The notice shall set forth further that the City Council will, in open session, at the date, hour, and place named, hear all comments to the proposed improvements, the manner of paying for them, and the manner in which the improvements shall be made.
4. The notice of intention shall be published three times within at least two consecutive weeks, the first publication being not less than thirteen days before the date fixed for the hearing of comments and the last publication being in the last week. The notice shall be published in the official journal of the municipality and a sign posted in the area of construction at least thirteen (13) days before the date of the hearing.
5. After hearing comments, the municipal governing authority may order the improvements constructed, decide not to construct the improvements, or decide to construct the improvements with modification.

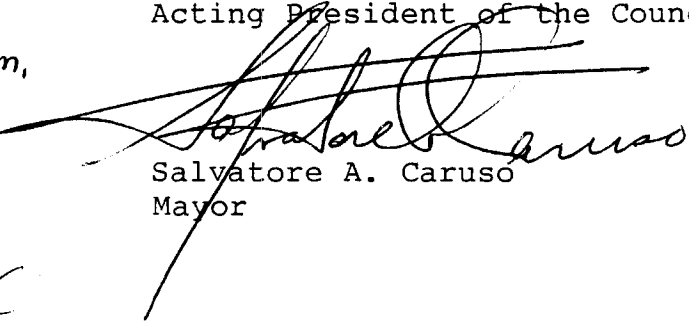

ADOPTED this 13th day of June, 1989.
