

Introduced June 22nd, 1982 by  
Councilman Barthelemy, seconded by  
Councilman Washington

RESOLUTION

WHEREAS, Cajun Contractors and Engineers of Baton Rouge, Louisiana,  
were the low bidder for the construction project of the waste water treatment  
plant facility for Slidell in accordance with the Environmental Protection  
Agency requirements,

BE IT RESOLVED by the Slidell City Council, in legal session convened,  
that the bid of Cajun Contractors and Engineers in the amount of \$6,475,000.00  
for the construction of the above referenced waste water treatment plant is  
hereby accepted by the City of Slidell, contingent upon the Environmental  
Protection Agency and U.S. Corps of Engineers approval.

ADOPTED this 22nd day of June, 1982.

  
Emily M. Mills  
Clerk of the Council

  
Lionel J. Washington  
Councilman, District A  
President of the Council
