SECTION 3. That a summary of the aforesaid Engineering and Economic Feasibility Report shall be published in the official journal of this City and that an appropriate introductory notice shall be published therewith indicating that the summary of such Report is being published in compliance with Section 5-09 of the City Charter, said notice to be in substantially the following form:

PUBLIC NOTICE

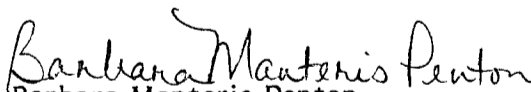

The City of Slidell proposes a Capital Outlay Program and contemplates the issuance of bonds of the City to finance certain capital improvements in connection therewith. In compliance with Section 5-09 of the City Charter, the Slidell City Council adopted a resolution on July 22, 1986, accepting the Engineering and Economic Feasibility Report prepared by the Engineering and Finance Departments of the City of Slidell, State of Louisiana, dated July 22, 1986 (titled "Engineering and Feasibility Report 1% Sales Tax Election, September 27, 1986"), which was prepared relative to the Capital Outlay Program and a proposed tax and bond election, and providing for the filing and publication of such Report as required by the City Charter. Copies of said Report may be reviewed during regular office hours at the City Hall in the offices of the Mayor and of the Slidell City Council. A summary of said Engineering and Economic Feasibility Report (without exhibits which are on file with the complete Report and may be reviewed at the above named offices) is now published in compliance with Section 5-09 of the City Charter as follows:
