12 **RESOLUTION R91-26**
13
14

15 A resolution to provide funding for a test to determine
16 the effectiveness of a canal erosion prevention procedure.
17

18 WHEREAS, the W-14 canal, and other canals, have erosion
19 problems within the City of Slidell; and
20

21 WHEREAS, the City of Slidell desires to prevent said
22 erosion, provided a reasonable solution can be ascertained; and
23

24 WHEREAS, Troy and Edith Schultz have indicated a
25 willingness to participate in a test procedure to determine its
26 effectiveness by allowing the test to be conducted on or near
27 their property; and
28

29 WHEREAS, the City Attorney has drafted a preliminary
30 agreement setting forth the terms and conditions of said test.
31

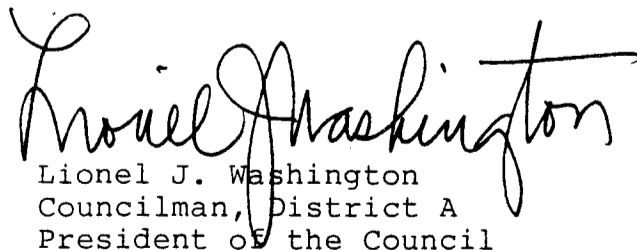

32 NOW THEREFORE BE IT RESOLVED that the Slidell City
33 Council does hereby express its intent to fund sixteen thousand
34 seven hundred twelve dollars and fifty cents (\$16,712.50) for
35 the herein described test procedure to prevent erosion of canal
36 banks within the City of Slidell; said funding to be provided from
37 its Major Thoroughfare Fund, account number 020-20900-90006.
38

39 BE IT FURTHER RESOLVED that all conditions and terms as
40 set forth by the City Attorney shall be met prior to proceeding as
41 herein described.
42

43 BE IT FINALLY RESOLVED that the City Attorney is to
44 draft and execute an acceptable agreement between all parties
45 including the St. Tammany Parish Police Jury to approve and
46 authorize said test procedures.
47

48 **ADOPTED** this 14th day of May, 1991.
