8  
9 A resolution requesting that the State of Louisiana restore the recent budget  
10 cuts to the state's higher education system.  
11

12 WHEREAS, recent budget cuts caused a grave concern for the future of  
13 higher education and the future of this state; and  
14

15 WHEREAS, these budget cuts will irrevocably undermine the state's ability  
16 to educate and train its work force and to attract quality facilities to expand its economic  
17 base; and  
18

19 WHEREAS, downsizing of our universities will seriously reduce our ability  
20 to expand and create new business opportunities; and  
21

22 WHEREAS, these budget cuts will send a message that Louisiana places  
23 a low priority on developing its human resources in building its technology base.  
24

25 NOW THEREFORE BE IT RESOLVED by the Slidell City Council that it  
26 does hereby request its State Legislative delegation to take a leadership role in  
27 addressing this economic crises, and to create a fair and stable tax base that adequately  
28 funds basic public services incurred as economic development and establishes higher  
29 education as a top priority for our state.
