

RESOLUTION R95-25

A resolution asking the City Engineering Department to evaluate all possibilities of drainage improvements to Bayou Vincent.

WHEREAS, the City of Slidell experienced extreme flooding in April and May of 1995; and

WHEREAS, unusual occurrences were observed in the flow of water through Bayou Vincent; and

WHEREAS, improvements in this tributary may help with the flow of water through our community.

NOW THEREFORE BE IT RESOLVED by the Slidell City Council that it does hereby ask the Engineering Department to evaluate all possibilities for improvements to Bayou Vincent and to research the possibility of a cooperative effort between the St. Tammany Parish Police Jury and the City of Slidell to facilitate implementation of any such improvements that may be deemed feasible.

Adopted this 13th day of June, 1995.

  
Richard B. Van Sandt  
Councilman, District C  
President of the Council
