

RESOLUTION R95-50

A resolution authorizing certain drainage improvements along Slidell Avenue, providing minor improvements to the Sr. Citizens facility, and providing funding therefor.

WHEREAS, the City Engineering Department has reviewed two engineering proposals for drainage improvements along Slidell Avenue where it intersects with Hailey and Oak Streets; and

WHEREAS, said project has been deemed cost effective and worthwhile by the City Engineer; and

WHEREAS, certain minor improvements are recommended to the Sr. Citizens facility; and

WHEREAS, a surplus balance is available in the Dellwood Line Rehabilitation account.

NOW THEREFORE BE IT RESOLVED by the Slidell City Council that it does hereby authorize the following:

1. Nine thousand three hundred dollars (\$9,300.00) for drainage improvements to divert the flow of water from the corner of Oak Street and Slidell Avenue to the subsurface drainage facility along Slidell Avenue (Carollo Drive drainage improvements).
2. Three thousand eight hundred dollars (\$3,800.00) for the installation of culverts across Hailey Avenue on the north side of Slidell Avenue to permit water to cross Hailey Avenue rather than turning east towards Carollo Avenue.
3. One thousand five hundred eighty dollars (\$1,580.00) for Sr. Citizens Center facility improvements to the dumpster slab, electrical outlets in the front of the building, parking bumpers, and sod.
