Introduced March 11, 1997, by Councilman
Callahan, seconded by Councilman Van
Sandt, and Councilwoman Livaudais

RESOLUTION R97-06

A resolution requesting the inclusion of location, area maps, and survey
plats for all annexation and zoning requests presented to the City Council, and other
matters therewith.

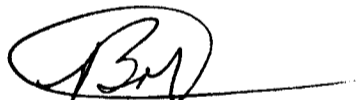

WHEREAS, from time to time, the City Council does not have maps
depicting the area location, street address (when available), vicinity maps, and survey
plats for requests for property being annexed or rezoned in the City of Slidell; and

WHEREAS, this information would be helpful and informative in making a
determination; and

WHEREAS, on several occasions, it is also beneficial to know the nature
of the annexation and the proposed use thereof.

NOW THEREFORE BE IT RESOLVED by the Slidell City Council that all
requests for annexation and zonings presented to the Slidell City Council shall include an
area map, vicinity map, location map, street address (when available), survey plats, and
proposed use of the land to be annexed and/or rezoned.

Adopted this 11th day of March, 1997.

Bob Callahan
Councilman, District B
President of the Council

Davis Dautreuil
Council Administrator/Clerk of the Council
