The use and disposition of immovable property, equipment and remaining Grant Funds under this Agreement shall be in compliance with all CDBG regulations, which include but are not limited to the following:

Equipment not needed by Grantee for activities under this Agreement shall be (a) transferred to the OCD for the CDBG program or (b) retained by Grantee after compensating the OCD an amount equal to the current fair market value of the equipment less the percentage of non-CDBG funds used to acquire the equipment.
