4 **RESOLUTION R24-13**

5
6 A resolution supporting action by the Louisiana Legislature to remove barriers
7 to the disposal of surplus immovable property in the City of Slidell under Title 48 of the
8 Louisiana Revised Statutes.

9 WHEREAS under Title 48 of the Louisiana Revised Statutes, the City of Slidell
10 and St. Tammany Parish are subject to certain prohibitions with respect to the disposal of
11 their surplus immovable property; and
12

13
14 WHEREAS no other political subdivisions of the State of Louisiana are known
15 to be subject to said prohibitions; and
16

17 WHEREAS there is no legitimate need for said prohibitions, one of which is
18 ambiguous insofar as it purports to prohibit the denial of access to immovable property
19 after disposition, and such a restriction on property access is inherent in the act of
20 disposition to private ownership.

23
24 NOW THEREFORE, BE IT RESOLVED by the Slidell City Council, in legal
25 session convened, that it urges the Louisiana Legislature to remove the prohibitions on the
